Student Security To-Do-List

For your personal safety and security, please follow the advice below. Do your part to ensure your safety as well as the safety of the Queensland University of Technology community.

- Store the QUT Emergency number **3138 8888** in your mobile phone speed dial. Actively participate in maintaining a safe and secure campus by adopting the “If You See Something, Say Something” philosophy.
- Store your “In Case of Emergency” (ICE) contacts in your mobile phone.
- Record your mobile phone number in QUT Virtual to enable you to receive a QUT Emergency SMS message.
- Familiarise yourself with the “Recommended Paths” (http://www.fmd.qut.edu.au/security/security_at_QUT/safetypaths.jsp) throughout the campuses and the location of the Emergency Call Points.
- Use the QUT Night Security Bus and Security Escort services
